## Experience

**Investigative Associate Producer, WJLA-TV;** Washington, D.C. – (July 2017 - Sept. 2017)

- Took an active role in planning and researching assignments for a unit that consisted of five investigative reporters, three photogs/editors, one other producer and an executive producer
- Developed and pitched exclusive story ideas from tips, human sources and public documents
- Produced weekly show in a creative way showcasing how Seven On Your Side "Alerts, Protects and Investigates"
- Wrote broadcast stories in a conversational writing style

**News Associate, CNN;** Washington, D.C. – (Sept. 2016 - July 2017)

- Created graphics, edited soundbites, crafted social media posts for Inside Politics
- Compiled research for CNN's Executive Editor of Politics for special programming
- Helped on the assignment desk, coordinated live shots, logged feeds and pulled video
- Assisted bookers with guests in the bureau and on remote sets leading up to the election and inauguration for CNN, CNN International, CNN Español and HLN
- Controlled teleprompter, provided scripts and blue cards to anchors and correspondents

**Brian Ross Investigative Unit Intern, ABC News;** New York, NY – (May 2016 - Aug. 2016)

- Used video archives, social media and other databases that contributed to coverage on the Republican and Democratic National Conventions, the Orlando shooting and the Nice attack
- Helped producers on a remote shoot for an hour long special on a humanitarian worker captured by ISIS
- Created research binders for correspondents, producers and lawyers

**David Kaplan Memorial Fellow, ABC News;** Washington, D.C. – (Jan. 2016 - May 2016)

- Worked in ABC News Washington Bureau, rotating every two weeks to help a different team
- Researched and reported content for Good Morning America, World News Tonight, This Week, Nightline and the web
- Assisted producers and correspondents on Capitol Hill, the Pentagon and the White House

**Producer, Reporter, Anchor, KOMU-TV;** Columbia, MO – (Jan. 2013 - Dec. 2015)

- Created visually compelling evening newscasts in iNews that informed and engaged viewers
- Shot B-roll, edited video, and wrote scripts to present in the field or in studio for newscasts, including day-turn packages
- Reported breaking news; such as water rescue missions, fatality fires & stand-off situations

## Education

University of Missouri; Columbia, MO – Broadcast Journalism, 2016
